

Hellenic Air Force F-16 Demo Team "Zeus" celebrated the Patron Saint Day in Larissa Air Base. Our good friend **Levente Benedek** from Hungary visited Greece and amongst other Air Bases he tasted the hospitality of 110 Combat Wing. You can enjoy Levente's great photos of F-16 Demonstration on Saturday 10th of November 2012 here.

Please feel also free to visit www.lhsn.hu in which Benedek is the main editor!!!
