

Herpa is the market and innovation leader in specially detailed and highvalue car, truck, and airplane miniatures. We are proud the announce that **Herpa** has designed and manufactured a Hellenic Air Force Mirage-2000-5 model in scale 1:200. The model presents a Hellenic AF 331 Squadron "Theseus" Dassault Mirage 2000-5 EG.

Herpa

has also produced other models of great quality, some of them in an extremely Christmas spirit and for that reason you should check out the brand new catalog for year 2011.
