

Hellenic Air Force organizes the official retirement ceremony for A-7 Corsairs after 39 years of service in greek skies and 49 years of life since HAF is the last user of the type. The celebration is open for the public and since a lot of you are interested in visiting Greece for the event we have collected some interesting information trying to answer frequent questions. A Spotters' Day will also be organized on Thursday October 26th so charge your cameras!!!

THE RETIREMENT CEREMONY

The ceremony is taking place on 17th of October 2014 in 116 Combat Wing, Araxos AB.

Instructions to journalists and spotters

Araxos AFB Gate

1. At Araxos AFB gate you have to provide the proof of identification you have stated in your request.

2. You will be asked to park your car in a space near the gate. You will be transferred to the 336 squadron by bus.

Canteen Souvenirs / Taxi, takeoff and landing / Parked and retired A-7

3. At Araxos AFB gate you have to provide the proof of identification you have stated in your request.

4. You will be asked to park your car in a space near the gate. You will be transferred to the 336 squadron by bus.

5. On the premises of 336Sqn there will be designated areas, from where you can photograph aircraft during taxiing, takeoff and landing, as well as A-7s that are already retired.

6. For your safety and in order to get the best photo opportunities, please comply with the instructions of the uniformed personnel monitoring the area.

7. The security clearance you will get at the gate will be also used for your entrance at Araxos AFB the next day, if you are attending the retirement ceremony.

The official retirement patches designed for 336 Squadron by Mauro Roder.

TRANSPORTATION TO ARAXOS

You can visit Araxos Air Base on the day of Retirement ceremony, Friday October 17th by bus especially scheduled route for this day with local bus organization (ktelachaias.gr). The connection between Patras and Araxos will be as follows:

- Patras - Araxos 09.15
