

Hellenic Air Force McDonnell Douglas F-4E Phantom II 339 Squadron "Ajax" - RIAT 2016 model by [herpa](#) in 1:200 scale.

After working for several months in cooperation with the model maker company **herpa**, this limited edition model finally became reality. This model represents the

*S/N 01504*

of HAF 339 Squadron "Ajax" F-4E Phantom II pair aircraft which participated in the 2016 Royal international Air Tattoo carrying drop tanks especially decorated for the occasion. The emblems on the box are designed by

[Aviation Project](#)

and the same applies for the decoration of the tanks in 1:1 scale.

The model is produced under license of Boeing, McDonnell Douglas as the logos, product markings and trade dress are trademarks of the Boeing Company. It belongs to the **herpa** Wings/Collection 2018.
