Dear spotters,

First of all we would like to thank you again for your kindly cooperation all the previous days. Here you will find attached the Info Guide of the Spotters Day. Read the instructions carefully. Always remember that you are visiting a military area with its restrictions. We are working to prepare "a phantastic day". Forgive us any omission, we are just pilots! On that day, follow the security instructions and be very carefull because you will find yourself very close to the taxiing Phantoms!

Because a lot of you, asking about the audit procedure, remember that only if someone will be banned from the event, will be inform personally! Do not hesitate to ask for more details!

Kind regards,

- Major Lambros Tolias
